

LIGHTS & LIGHTING / FLUORESCENT

FLUORESCENT

(Kino Flo)

Kino Flo 2' 1Bank

Softlight source, helpful for challenging spaces.

Includes: (1) electronic ballast and (1) egg crate.

Kino Flo 2' 2Bank

Lightweight design used for both soft key and fill lighting in tight locations.

Includes: (1) electronic ballast and (1) egg crate.

Kino Flo 2' 4Bank

4-lamp fluorescent unit outputs the equivalent of a 500W softlight.

Includes: (1) electronic ballast and (1) egg crate.

Kino Flo 4' 1Bank

Broad diffuse light.

Includes: (1) electronic ballast, (1) head cable, and (1) egg crate.

Kino Flo 4' 2Bank

Lightweight, portable design used for both soft key and fill lighting in tight locations.

Includes: (1) electronic ballast, (1) head cable, and (1) egg crate.

Kino Flo 4' 4Bank

4-lamp fluorescent unit outputs the equivalent of a 1000W softlight.

Includes: (1) electronic ballast, (1) head cable, and (1) egg crate.

Kino Flo 4' 8Bank

Lightweight design used for both soft key and fill lighting in tight locations.

Includes: (1) electronic ballast, (1) head cable, and (1) egg crate.

Kino Flo Barfly 200 1-Light Kit

Efficient, compact one-tube fluorescent lighting source for difficult shots in tight spots; up to 110 watts.

Kino Flo Diva-Lite 200

Designed for digital video capture. Efficient, lightweight unit ideal for shooting in tight spaces; up to 110 watts.

Includes: (1) fixture and (1) flozier.

Kino Flo Diva-Lite 200 2-Light Kit

Efficient, versatile and portable light kit.

Includes: (2) fixtures, (2) floziers, and (2) stands.

Kino Flo Diva-Lite 400

Designed for digital video capture. Efficient, lightweight unit ideal for shooting in tight spaces; up to 220 watts.

Includes: (1) fixture and (1) flozier.

(Kino Flo) Cont. –

Kino Flo Diva-Lite 400 2-Light Kit

Lightweight, efficient, and portable light kit. Features an all-in-one design with integral barndoors and built-in multi-voltage ballast; up to 440 watts.

Includes: (2) fixtures, (2) floziers, and (2) stands.

Kino Flo Gaffer Kit w/2 4' 4Bank System

4-lamp fluorescent light outputs the equivalent of a 1000W softlight.

Includes: (2) fixtures, (2) electronic ballasts, (2) head cables, and (2) egg crates.

Kino Flo Image 85

Shallow profile, fluorescent unit with a broad, soft beam that runs cool. Uses (8) 4' True Match studio lamps, providing 100° spread to a distance of 8'.

Kino Flo Mini 1-Light Kit

Suitable for lighting small areas.

Includes: (2) heads, (2) AC power supply, and (1) cigarette adapter.

Kino Flo Vistabeam 600 DMX

Fluorescent fixture delivers the equivalent brightness of a 6000W tungsten spacelight, while drawing only 10 Amps of power.

(Misc.)

FrameLytz 1 x 1 Fluorescent Light

Lightweight, 500W output fluorescent unit for ambient or bounce light from the same source using double-sided doors.

Molescent BIAx 4L

4-tube, 220W 46" long fluorescent fixture with yoke mount.

Suitable for lighting wide sets, where vertical space is limited.
